

How to Access Your Account

You can check your plan balance, the status of a claim or change your username and password any time through the Chard Snyder website. To get started, go to www.chard-snyder.com and click on the bright blue Login button in the upper right corner of the page. The page will slide down to reveal the login options. Select 'ACCESS YOUR FSA, HRA, HSA ADVANTAGE, TRP ACCOUNT(S)' from the Employees section on the left.

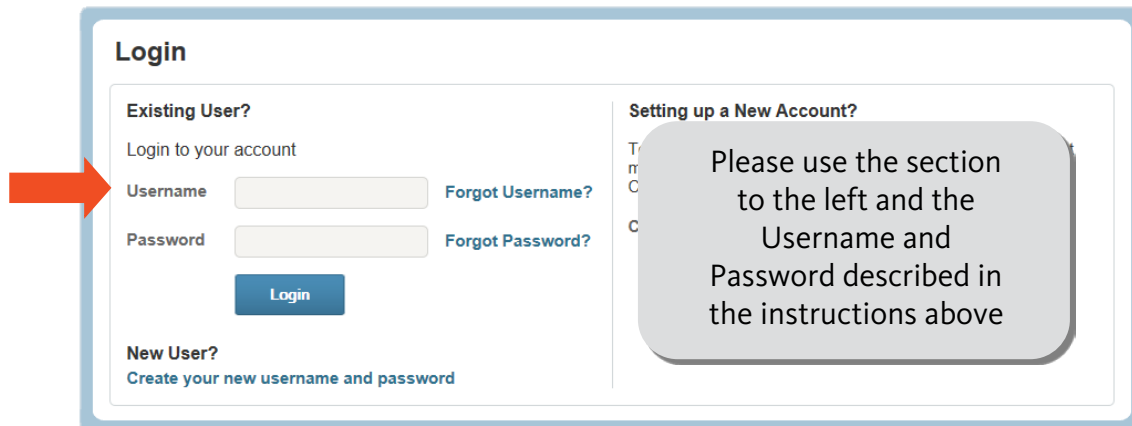

You are now on the login page. Use the 'Login to your account' section on the left. If you have previously accessed the web portal, please use the username and password that you set up at that time. New Users will also log in with the 'Existing User?' section by using the following formula:

Username – 9-digit social security number or Employee ID

Password – Last 4 digits of your social security number or Employee ID

You will then be prompted to change your password and set up security questions.

Important Note: If you have previously accessed the web portal, please use the username and password that you set up at that time. If you don't remember your username or password, use the 'Forgot Username?' or 'Forgot Password' links or contact our Customer Service Department for assistance.

You will then be prompted to set up several security questions so that we can verify your identity later when you are completing sensitive actions such as resetting a forgotten password.

Security Questions (Step 1 of 2)

Please enter an answer to any 5 security questions to complete your user setup. To keep your information secure, you will be asked to answer 3 of these questions to complete sensitive actions within the portal such as resetting a forgotten password.
